Dear Mr. MacDougall,

I believe you kindly accepted subpoena service for Dr. Yudofsky back in February from my co-worker Special Agent Ryan Rickey reflecting a hearing date of June 29th. Since the hearing date has been pushed to September 13th, I just wanted to follow up with an updated subpoena (attached) reflecting the new date for your records. The file is encrypted and I will send the password in a separate email.

Thank you,
Evan
